

2008 - 2009

## Saturday Science Workshops

Teachers save these dates on your calendar and email a confirmation to [kle11@psu.edu](mailto:kle11@psu.edu) so you can be prepared to join us in inquiry based, hand's-on science activities on a variety of topics, all aligned to the PA Standards.

September 13, 2008	Looking into the Skies Dr. Chris Palma 8:30 am - 1:30 pm
October 11, 2008	Energy for Early Elementary Dr. Stephen Van Hook 8:30 am-1:30 pm
November 1, 2008	Where is THAT? JoAnn Vender 8:30 am-1:30 pm
January 2009	Darwin Days/Astronomy Events Dr. Chris Palma day and time TBA
February 4, 2009	Meteorology and More Dr. Jon Nese 8:30 am-1:30 pm
March 20, 2009	Space, Space, and More Space! NASA Education Specialist, Peggy Maher 8:30 am-2:00 pm
April 2009	TBA

All workshops are free for teachers of elementary and middle school levels. Act 48 credit is available. A continental breakfast and lunch are provided by the Center for Science and the Schools (CSATS). Schedule changes may occur, so check our website <http://csats.psu.edu> for updates.
