

Compete in the Pennsylvania KidWind Challenge!

Think you or your class has what it takes to build the most efficient, functional, and innovative wind turbine? Try your luck at the KidWind Challenge! Be creative, have fun, and apply your knowledge of wind energy to win cool prizes.

WHEN: Wednesday, March 28, 2018
WHERE: Penn State University Park
HUB/Roberson Center
REGISTER: <http://www.csats.psu.edu/>

READY TO COMPETE? YOU NEED...

- To be a student in 4th-12th grade
- A team consisting of 1-10 students
- An adult coach (teacher, parent, etc.)
- A generator, some parts, and a whole lot of creativity!

REGISTER: Bring up to 5 teams by registering at <http://www.csats.psu.edu/> found under Our Programs, Student Opportunities. Contact Ashley Rapsinski at adb236@psu.edu or 814-865-1713 with questions.

KIDWIND CHALLENGE ONLINE:

Can't make it to this event?

The Challenge Online is always open and free to students K-college, worldwide!

LEARN MORE about the Challenge and find rules, learning resources, parts, and building tips online:
